Steam Day will be supervised by Richard Simpson

Club 500 will be supervised by Officer of the Day. All Club 500 must display a number.

At Yacht events all competitors must display a number of their sail.

At our 3 major events any orange fencing must not be moved other than by a Kirklees MBC member. This is erected for security purposes.

During any race/event the course must not be obstructed. This is common courtesy. Please feel free to use the far side of the lake or remove your models as a courtesy gesture until the race is over.

Unfortunately some of these home events may clash with proposed away events but this unavoidable due to the large amount of events at home and away.
