Report on Club 500 race 2nd September 2018 by Stan Reffin – Today was the last but one club 500 for 2018. What started off as a really sunny morning clouded over but was still warm. Some members had technical problems and we also had quite a few collisions and near misses. One rescue after one boat was upturned in the second race. Thanks to Phill Bowker and Terry Scarth who assisted with overseeing the races.

PLEASE NOTE – we do not want any “old” pound coins in the tea box. This has now happened on three separate occasions and means Frank has to go to the bank to get it changed.

Error on the January 2018 newsletter away events: Set up day for Blackpool Model Show is **Friday 19th October**. This only applies to club members who are exhibiting. The actual Show is Saturday and Sunday 20th and 21st October.

REMINDER – **Sunday 9th September** is our Autumn Open Day. This is for all members so please support this event. As usual we need volunteers from 8 am to set up and also volunteers at the end of the day to clear everything away. Please can I have items for the catering tent, wrapped and labelled. Please don't leave this to a few members as it is an event for everyone to enjoy. Without your support this will not be a successful day.

Don't forget I collect used postage stamps for Martin House Children's Hospice. With Christmas coming up you will have more stamps than usual so please save them for me. Thanks a lot. Pat Reffin
